To Whom It May Concern

Triada Trade Partners

Working with Triada Trade Partners has been instrumental in successfully introducing our solutions into Ukraine. Under the guidance of Yaroslav Yakymov and Marsel Nikitin, we were able to navigate the complexities of the Ukrainian market with confidence and clarity. Their expertise under the Office of Trade Representatives in coordinating with defence stakeholders provided the framework that allowed Kord Defence to establish a meaningful presence and contribute directly to enhancing the capabilities of Ukraine's Armed Forces.

What stands out most about Triada Trade is not only their deep understanding of Ukraine's defence ecosystem, but also their dedication to long-term partnerships. Their ability to balance strategic vision with practical execution makes them a trusted partner for any company seeking to enter or expand in Ukraine.

Yours faithfully,

Dominic W. Kelly
